

DETAILS & RULES

Earl Mortimer College PTA Monthly Prize Draw

So what is the Monthly Prize Draw?

It's organised by the Earl Mortimer College PTA and is a great way to raise funds for the school AND it pays out cash to winners in a monthly draw.

How does it work?

You purchase a number or numbers, which are exclusive to you. A monthly draw will take place.

50% of the money collected for that month will be paid out in prize money, cheques will be issued to the winners. Earl Mortimer College PTA will retain the remaining 50% of the funds.

There will be a 1st, 2nd, and 3rd prize each month.

DON'T FORGET THE MORE NUMBERS SOLD THE BIGGER THE PRIZE MONEY!

Each number will cost £1.00. You can have as many numbers as you like.

How do I pay?

You pay for either six or twelve months in advance.

The easiest way to pay is by standing order directly from your bank account, you could pay by cheque once or twice a year but the onus will be on you to get the money in on time. Only numbers paid for will be entered.

Alternatively you could pay for the full year in cash in one lump sum. There will be 12 draws a year; therefore the annual cost per number will be £12.00.

How do I get a number?

A number will be issued to you upon receipt of your application. They can be purchased at any time and will be entered in the next draw following your application.

Please advise us of any change to contact details.
